

Jenny's scrap quilt

This quilt was made with fabric that belonged to my friend, Jenny Housego, who lived at The Old Post Office. I am raffling it in memory of both Peter and Jenny to raise money to help provide a weekly meal for the children in the community schools that we support in Zambia.

110cmx 110cm

(42"square)

**£1
a ticket**

If I can raise £100 it will provide a weekly meal of soya porridge with added high protein supplement for over 250 children for one month.

Thank you – Ann
